

Booster Club

Membership Drive 2025-2026

Lewis Central Booster Club supports students, activities, and facilities at Lewis Central High School and Middle School. That support comes from our school community in 3 ways: Time, Talent, & Treasure.

Booster Club supports Athletics and Fine Arts equally with monies being distributed by Lewis Central Administration.

Also a variety of clubs are supported including but not limited to NHS, student council, BPA, Skills USA and other school activities including prom, Special Olympics and game events. The scoreboards in the gym and on the football field were also made possible through Booster Club funds!

Last year the LC Booster Club donated over \$210,000 to Lewis Central!

Be part of the Booster Club team and support LC!

Passes will be available for purchase online through the LC Bound ticketing page starting August 1st, 2025.

(Scan QR code below)

All passes will be distributed on the LC Bound App! Please provide a valid email address!
